Subject: Tie up with Chrysalis High

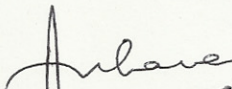

Dear Ms Neetu,

CHRYSALIS HIGH is a chain of schools promoted by professionals who have a vast experience in the field of School Education (for details, please visit www.chrysalishigh.com). The first Chrysalis High will begin operations in the Academic year 2012-13 at Varthur Main Road. At Chrysalis High, our vision is **to help our children excel by understanding them, guiding them on the right path & strengthening their self belief**. We plan to have grades from Nursery to Grade VII in the first year and then subsequently move up to Grade XII. We will be affiliated with the ICSE & IGCSE boards.

Further to our discussion, it gives me great pleasure to extend a tie - up between Child Development center and Chrysalis High Schools .

Looking forward to a rewarding and fruitful relationship.

With Warm Regards,

Archana Srivastava
